ABOUT US

Veterans Logistics Group is a certified Service-Disabled Veteran, Minority and LGBT Owned Small Business based out of Hawthorne, CA. We provide our clients with several shipping and logistics service options tailored to suit each specific need. Our main points of expertise are our Expedited, Port Operations, OTR-Rail and special projects divisions.

Our expedited division handles all ad-hoc requests for time sensitive shipments. Port Operations services import/export for Ports and Airports. OTR offers various methods listed below or Rail and Special Projects is a complete end-to-end solution for trade shows, job sites and specialty freight moves like Semi-conductors, Energy, Oversized.
